

*Let's talk about ...*

# PETS

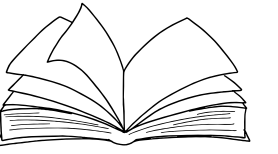

EngMaterials

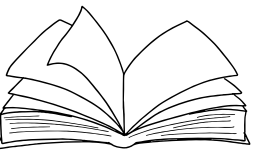

**Do you wonder what animals are thinking?  
What thoughts do they have?**

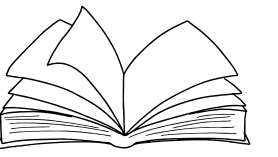

**Would you allow your pet to sleep on your bed? Why or why not?**

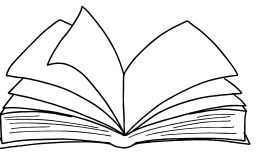

**Which pets can be let free outside? Which pets need to be controlled on a leash?**

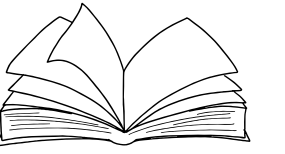

**Sometimes a pet leaves their home and returns days later. What do you think they do on these journeys?**

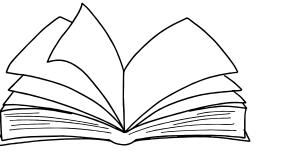

**Are you allergic to any animals? If so, how does your body react when you meet them?**

**Some pets and pet owners seem to talk to each other. Do you think people and their pets can communicate?**

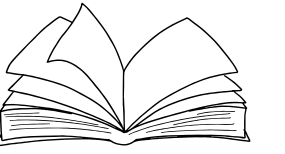

**Your neighbor has a dog that constantly barks. What will you do about it?**

**Cats and dogs are the most common types of pets. What are some unusual or exotic pets that you have heard of?**
