

SENTENCE MAKER!

Look at the table with three pictures: Who – Action – Where.

1. Make a full sentence using the words.

2. You can use any tense:

- Present Simple → **The dinosaur eats leaves in the jungle.**
- Present Continuous → **The dinosaur is eating leaves in the jungle.**
- Past Simple → **The dinosaur ate leaves in the jungle.**
- Future → **The dinosaur will eat leaves in the jungle.**

3. You can change the verb form and add extra ideas (time, feelings, details).

Example: **Yesterday, the alien flew a spaceship in space.**

Be creative and make them funny or unusual!
