We use the Past Simple to talk about an action or situation in the past which is finished. We often say when it happened (e.g. yesterday, last night):

- I played ice hockey at the rink last weekend.
- The children decorated the windows with paper snowflakes yesterday.
- We celebrated Christmas with my family last year.

b) Read the rules and complete the gaps.

Engl Materials

We form the Past Simple of regular verbs by adding -ed to the verb.

Verbs ending with -e:

+d

Verbs ending with a consonant and -y:

~~y~~ - ied

Most verbs ending with one vowel and one consonant:

double the last letter + ed
