a) Read the rules.

We use the Past Simple to talk about an action or situation in the past which is finished. We often say when it happened (e.g. yesterday, last night):

- I played ice hockey at the rink last weekend.
- The children decorated the windows with paper snowflakes yesterday.
- We celebrated Christmas with my family last year.

b) Read the rules and complete the gaps.

We form the Past Simple of regular verbs by adding -ed to the verb.

Verbs ending with -e:

+d

• celebrate - _____

• decorate - _____

Verbs ending with a consonant and -y:

~~y~~ - ied

• try - _____

• cry - _____

• study - _____

Most verbs ending with one vowel and one consonant:

double the last letter
+ ed

• stop - _____

• plan - _____

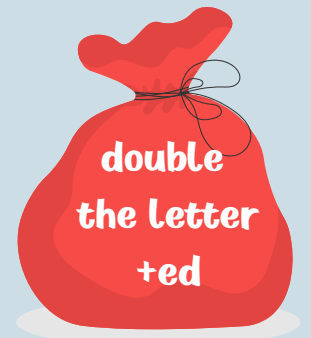

Many verbs have an irregular Past Simple form:

- go - went
- do - did
- eat - ate
- drink - drank
- make - made
- draw - drew
- take - took
- wear - wore
- have - had
